Scholarship Deadlines & Selection Procedure

Deadlines: Applications must be postmarked by the following dates:

- Summer-term: April 18, 2008

Selection: Students may only apply for one **Culture+** scholarship per term and are eligible to receive only one award within an academic year. Candidates who meet the scholarship criteria and program requirements will have their essay judged by an independent selection committee. Essays are evaluated based on the quality of content, style and grammar. Incomplete applications or those who do not meet minimum qualifications will not be considered. Upon request, Intrax can hold your enrollment deposit until after you are notified of your scholarship status. Once notified, you must provide a written confirmation within one week that you either: 1. Accept the award and are committed to participating in an Intrax's **Culture+** program. 2. Have decided to cancel your application. Your credit card will be charged \$100 as an application review fee.
